

### Equivalence of Restructured(Model ITI) Pattern AND Conventional Pattern of CTS

sl	Restructured Pattern of CTS	Conventional pattern of CTS	Reference
1	1. Basic Course in Mechanical trades group (1 Year) 2. Fitting General Module (6 months) 3. Metrology & Engineering Inspection Module (6 Months)	Fitter	RBE No. 92/2012
2	1. Basic Course in Mechanical trades group (1 Year) 2. Tool & Die making Module (1 Year)	Fitter	RBE No. 92/2012
3	1. Basic Course in Mechanical trades group (1 Year) 2. Tool & Die making Module (1 Year)	Tool & Die Maker	RBE No. 92/2012
4	1. Basic Course in Mechanical trades group (1 Year) 2. Operating Center Lathe Module (6 months) 3. Operating Capstan & Turret Lathe Module (6 Months)	Turner	RBE No. 92/2012
5	1. Basic Course in Mechanical trades group (1 Year) 2. Operating Milling Machine Module (6 months) 3. Operating Shaper Slotter and Planner Module (6 Months)	Machinist	RBE No. 92/2012
6	1. First Year broad based training in Heat Engine trades group (1 Year) 2. Servicing & Overhauling of diesel engines Module (6 months) 3. Servicing & Maintenance of diesel generating sets Module (6 Months)	Mechanic Diesel	RBE No. 92/2012
7	1. First Year broad based training in Heat Engine trades group (1 Year) 2. Servicing & Overhauling of automobile engines Module (6 months) 3. Auto electrician Module (6 Months)	Mechanic Motor Vehicle	RBE No. 92/2012
